Chapter: Box Model | Track: CSS

Box model code vich:

```
.dabba {
  width: 200px;
  padding: 20px;          /* andar fasla */
  border: 2px solid red; /* motai, style, rang */
  margin: 30px;           /* bahar fasla */
}
```

- border: 2px solid red — motai, style, rang ikko line vich
- Padding dabbe nu andar toh wadda karda
- Margin dabbe nu dooje dabbe toh door karda

TIP: Yaad rakho: Padding = andar, Margin = bahar. Eh CSS da sab toh zaroori concept hai!
