Mini Project: Counter App

Chapter: Events & Mini Project | Track: JavaScript

Sikhiya sab ikathe — counter app banao! Playground vich chala ke dekho:

```
<h1 id="ginti">0</h1>
<button onclick="wadhao()">+1</button>
<button onclick="ghatao()">-1</button>
<script>
let n = 0;
function wadhao() {
  n++;
  document.getElementById("ginti").textContent = n;
}
function ghatao() {
  n--;
  document.getElementById("ginti").textContent = n;
}
</script>
```

TIP: Mubarak! Tusi counter app bana layi — eh asli JavaScript project hai. Agla challenge: todo list banao!
